Nicki,

Thank you! We have the emails and all is good. And thanks for meeting the deadline. If I don't have the opportunity again, it has been a great pleasure working with you! I wish you all the best, Nicki.

Yes this is the right one. We submitted the WIP along with access to this CAST scenario at 4:30 yesterday per instruction to Suzanne and Cathy, copying Diane, Evelyn and Lucinda. Access to the scenario was given to you, Jeff, and Sucharith also per instructions.

It took four emails to send everything. Do you also need the four emails?

Nicki, Ted, Jordan, Kim,

Would you give me an update on the status of PA's Final WIP3 numeric scenario? It would be good for us to have an email notice of the name of the CAST model scenario you're sharing. There's one on CAST called "Pennsylvania FINAL Phase 3 WIP 8-23-19", but we're unsure if this is what the state intends to use for EPA's evaluation of final WIPs. We're trying to compile all the data this weekend and PA is the only jurisdiction still outstanding. As you know, these were due yesterday and, perhaps, we missed the notice.

I found your webinar last week very helpful.

Thank you all.
